

## Speakers

**Guido Bertolini**

GiViTI Coordinating Center, Ranica (BG)

**Alessandra Boratti**

Ospedale San Giovanni Bosco, Turin

**Greta Carrara**

GiViTI Coordinating Center, Ranica (BG)

**Gabor Csato**

Intensivist and Project Manager (Hungary)

**Andrea De Gasperi**

Ospedale Niguarda Ca' Granda, Milan

**Stefano Finazzi**

GiViTI Coordinating Center, Ranica (BG)

**Silvio Garattini**

Mario Negri Institute, Milan

**Primoz Gradisek**

University Medical Centre, Ljubljana (Slovenia)

**Giuseppe Gristina**

Intensivist e bioethicist, Rome

**Gaetano Iapichino**

Università degli Studi di Milano

**Rafael Kaps**

General Hospital Novo Mesto (Slovenia)

**Theodoros Kyprianou**

Nicosia General Hospital, Nicosia (Cyprus)

**Martin Langer**

Istituto Nazionale Tumori, Milan

**Sergio Livigni**

Ospedale San Giovanni Bosco, Turin

**Ivo Lizzola**

Università degli Studi di Bergamo

**Paolo Malacarne**

Ospedale Santa Chiara, Pisa

**Giuseppe Naretto**

Ospedale San Giovanni Bosco, Turin

**Daniele Poole**

Ospedale Civile San Martino, Belluno

**Francesco Procaccio**

CNT/Istituto Superiore di Sanità, Roma

**Giuseppe Riva**

Università Cattolica del Sacro Cuore, Milan

**Carlotta Rossi**

GiViTI Coordinating Center, Ranica (BG)

**Gian Maria Rossolini**

Università di Siena/Università di Firenze/AOU Careggi

**Bruno Viaggi**

AOU Careggi, Florence

**Nektaria Xirouchaki**

Heraklion University Hospital, Heraklion (Greece)

## Thanks to

CREACTIVE project funded by the European Commission through the Seventh Framework Programme under Grant Agreement no. 602714.

## Event Manager

Dr. Guido Bertolini

GiViTI Coordinating Center

IRCCS - Institute for Pharmacological Research

'Mario Negri'

## Organizing Secretariat

English ⇌ Italian simultaneous translation  
is provided

- 13:00 Welcome drink
- 13:59-15:00 25 (+ 25) years of intensive care: what remains to be completed.  
*G. Iapichino*

INFECTIONS IN THE ICU

- 15:00-16:00 Empirical and targeted antibiotic therapy: from practice to theory and back, touching on new drugs and new systems for rapid microbial identification. Part I  
*S. Finazzi, M. Langer, G.M. Rossolini, B. Viaggi*
- 16:00-16:30 Break
- 16:30-17:30 Empirical and targeted antibiotic therapy: from practice to theory and back, touching on new drugs and new systems for rapid microbial identification. Part II  
*S. Finazzi, M. Langer, G.M. Rossolini, B. Viaggi*
- 17:30-18:00 Discussion
- 18:00-18:45 SEPSIS-3: Did we really need new sepsis definitions? The potential impact on research and clinical practice.  
*P. Malacarne, D. Poole*
- 18:45-19:00 Discussion

CLOSED SESSION

- 21:00-24:00 CREATIVE Steering Committee meeting.

English ⇌ Italian simultaneous translation  
is provided

BEYOND EVIDENCE-BASED MEDICINE

- 09:00-09:30 The need to redefine the role of the physician in a changing society.  
*G. Gristina*
- 09:30-10:00 What kind of contract can be formed between medicine and society in today's world?  
*I. Lizzola*
- 10:00-10:45 ICU at a time of economic crisis.  
*T. Kyprianou, N. Xirouchaki*
- 10:45-11:15 Discussion
- 11:15-11:45 Break
- 11:45-12:45 Independent research.  
*S. Garattini*
- 12:45-13:00 Discussion

ICU PERFORMANCE

- 14:00-14:30 ICU performance over time: 25 years of GiViTI data.  
*C. Rossi*
- 14:30-15:15 ICU performance over space: geographical differences in GiViTI data.  
*G. Carrara, S. Finazzi*
- 15:15-16:00 Situation in other European countries.  
*G. Csato, P. Gradisek, R. Kaps*
- 16:00-16:30 Discussion
- 16:30-17:00 Break

NON-BEATING HEART DONATION

- 17:00-17:30 Non-beating heart donation: technical and cultural problems.  
*S. Livigni*
- 17:30-18:00 Non-beating heart donation: the Niguarda experience.  
*A. De Gasperi*
- 17:30-18:00 Non-beating heart donation: what lies in the future?  
*F. Procaccio*
- 18:00-18:30 Discussion

English ⇌ Italian simultaneous translation  
is provided

CREACTIVE

- 09:00-10:00 From evidence-based medicine to knowledge-based medicine. Just an epistemological problem?  
*G. Bertolini*
- 10:00-10:45 Virtual reality for intensive medicine: from patient assessment to rehabilitation.  
*G. Riva*
- 10:45-11:15 Discussion
- 11:15-12:00 Narrative medicine for intensive care medicine: promoting the caregiver role.  
*A. Boratti, G. Naretto*
- 12:00-12:30 Discussion
- 12:30-13:00 End of meeting

GiViTI Coordinating Center thanks you for participating in the activities of the Meeting and wishes you a pleasant stay.
